Avg Rating by Category

Key Insights :

- Average rating is 3.90 across 5,944 rated orders; 70.4% of ratings are 4–5 stars and 12.4% are 1–2 stars.
- Ratings are very similar across categories (3.85–4.00) and countries (3.81–3.95); Electronics is highest and Germany lowest, but the gaps are small.
- Quarterly average rating stayed between 3.82 and 3.96, so satisfaction is stable; 2026 Q3–Q4 are excluded (fewer than 30 ratings each).
- Ratings exist only for Delivered orders and the data has no delivery dates, so on-time versus late ratings cannot be compared.
